

Science Week 25 - 27 July 2024

Gold Coast Convention and Exhibition Centre

VET SCIENCE WEEK 2024 - PROGRAM INDEX

CHAPTER	DAY	PAGE
Animal Welfare	Thursday	6, 7 13, 14, 16, 20, 23
	Friday	
	Saturday (Half Day)	
Aquatic Animal Health	Thursday	6, 16
	Friday	
Cattle	Thursday	4, 12, 18, 25
	Friday	
	Saturday	
Dentistry	Thursday	6, 16, 23
	Friday	
	Saturday	
Emergency Critical Care	Thursday	4, 14, 21
	Friday	
	Saturday	
Epidemiology	Thursday	4, 13, 21
	Friday	
	Saturday	
Feline	Thursday	8, 17,
	Friday	
Medicine and Management of Laboratory Animals	Thursday	6, 8, 17
	Friday	
Oncology	Saturday	c21
Ophthalmology	Thursday	8, 17,
	Friday	
Pathobiology	Thursday	8, 13, 17
	Friday	
Pig Health Production	Thursday	4
Radiology	Thursday	10, 11, 18, 24
	Friday (Half Day)	
	Saturday	
Small Animal Medicine	Thursday	10, 11, 18, 24
	Friday	
	Saturday	
Small Animal Surgery	Thursday	3, 19, 24, 25, 26
	Friday	
	Saturday	
Veterinary Anaesthesia and Analgesia	Thursday	3, 14, 20

	Friday Saturday	
Veterinary Behaviour	Thursday Friday Saturday	3, 13, 20
Veterinary Practice Small Animal	Friday (Half Day) Saturday	13, 14, 20
Veterinary Public Health	Thursday Friday Saturday (Half Day)	4, 13, 21
Veterinary Sports Medicine and Rehabilitation	Thursday Friday	4, 5, 14, 15,
Zoo and Wildlife Medicine	Thursday	9, 10

VET SCIENCE WEEK 2024 PROGRAM THURSDAY 25 JULY 2024

	SMALL ANIMAL SURGERY (8:30am to 5:30pm)	VETERINARY BEHAVIOUR AND VETERINARY ANAESTHESIA AND ANALGESIA (8:30am to 4:00pm) VETERINARY BEHAVIOUR (3:00pm to 5:30pm)	
8.00	WELCOME TO COUNTRY CEREMONY & OFFICIAL COLLEGE WELCOME CENTRAL ROOM A		
		VETERINARY BEHAVIOUR	
8.30	Reconstructive surgery Dr Tania Banks SPEAKER SPONSORED BY AREC	Treat the patient not the problem: An introduction to the contextual- emotional- motivational approach Helen Zulch	
		VETERINARY BEHAVIOUR and VETERINARY ANAESTHESIA AND ANALGESIA	
9.30	Feline megacolon Dr Tania Banks SPEAKER SPONSORED BY AREC	The interface between medical conditions, pain, and behaviour Helen Zulch	
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
		VETERINARY BEHAVIOUR and VETERINARY ANAESTHESIA AND ANALGESIA	
11.00	I've got a blank space: Embracing minimally invasive surgery in your practice Dr Julia Sumner SPEAKER SPONSORED BY AREC	Cannabinoid Therapy with behavioural, anaesthetic and analgesic considerations Leon Warne	
12.00	Canine and feline adrenal surgery: Decision making and treatment options Dr Kenny Carroll SPEAKER SPONSORED BY AREC	Anaesthesia drugs with behavioural implications Emma Johnson	
1.00	LUNCH		
		VETERINARY BEHAVIOUR and VETERINARY ANAESTHESIA AND ANALGESIA	
2.00	Feminization of Veterinary Surgery and the Pay Gap Dr Nicole Buote	Clinical relevance of pharmacokinetics and pharmacodynamics Bradley O'Hagan	
2.30		A review of medium and long-acting veterinary behaviour medication classes Bradley O'Hagan	
3.00	Don't be a scaredy cat; feline surgical oncology Dr Kat Steele	Behaviour, Anaesthesia and Analgesia Wrap Up Q&A Panel	
4.00	AFTERNOON TEA		
		VETERINARY BEHAVIOUR	
4.30	Surgical Timing: When to Cut? A review on when to cut certain cases Dr Nicole Buote	Cooperative care methods with horses: what do we know? Melanie Rockman	
5.00		The impact of animal personality on the expression of mental health problems Jacqui Ley	
5.30	END OF DAY 1 PROGRAM		
5.30 to 6.30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **THURSDAY 25 JULY 2024**

	EMERGENCY AND CRITICAL CARE (8:30am to 5:30pm)	VETERINARY SPORTS MEDICINE REHABILITATION (8:30am to 5:30pm)	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND CATTLE (8:30am to 1:00pm) VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND PIG HEALTH AND PRODUCTION (2:00pm to 4:00pm) VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH (4:30pm to 5:30pm)
8.00	WELCOME TO COUNTRY CEREMONY & OFFICIAL COLLEGE WELCOME CENTRAL ROOM A		
			VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND CATTLE
8.30	Cardiac emergencies Joon Seo	Orthotics / Prosthetics for Developmental Orthopedic Disease Patsy Mich SPEAKER SPONSORED BY Handicapped Pets	"Zoonotic Challenges of Cattle" 08:30 Coxiellosis Katrina Bosward 09:00 <i>Characterising veterinary knowledge, attitudes and practices regarding Coxiellosis</i> Tabita Tan
9.30	Cardiothoracic dysfunctions in sepsis Claire Sharp	Diagnosing and Treating Osteoarthritis Secondary to Developmental Orthopedic Disease Kara Amstutz SPEAKER SPONSORED BY Canine Rehab Institute	09:30 <i>An epidemiological approach to the One Health problem of Brucella abortus in Henan dairy herds, China</i> Yu Wang 10:00 <i>Proof of Freedom Framework for Bovine Tuberculosis in New Zealand</i> Kevin Crews
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
		SPONSORED BY Paw Prosper	
11.00	Clinical teaching in private specialty practice – can we really do this well? Merrin Hicks	Diagnosing and treating muscle injuries in small animals Julia Tomlinson	11:00 Emerging Sources and Pathways for Leptospirosis - a paradigm shift Jackie Benschop
11.30			11:30 The enteric and respiratory metatranscriptome in bovine health and disease Barabara Brito Rodriguez
12.00			12:00 <i>Comparative Analysis of The Prevalence of Bovine Viral Diarrhoea Virus in Cattle Based on Detection Methods: A Systematic Review and Meta-analysis.</i> Gebremeskel Mamu Weird
12.30	Do you suspect pulmonary hypertension? Avalene Tan	Biomechanics of the canine shoulder joint and its stabilizing muscles Julia Tomlinson	12:20 <i>A Systematic Review of Epidemiological Modelling for Preparedness and Response to Lumpy Skin Disease Outbreaks</i> Simin Lee 12:40 <i>Distribution and Seasonal Activity of Potential Vectors of Lumpy Skin Disease in Australia</i> Emily Sellens
1.00	LUNCH		
		SPONSORED BY Paw Prosper	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND PIG HEALTH AND PRODUCTION
2.00	Heart-lung interactions Avalene Tan	Treating tendinopathy - timing and modality choices Julia Tomlinson	"Zoonotic Challenges of Pigs" 2:00 Updates on Japanese encephalitis research Travis Beddoe

2:30			2:30 Evaluation of a commercial Japanese encephalitis vaccine for pigs Caitlin O'Brien
		SPONSORED BY Paw Prosper	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH ABSTRACT SESSION
3:00	From water aspiration to drowning, management in the ER Matt Hollindale	From the ground up - diagnosing and treating toe injuries Julia Tomlinson	3:00 <i>JEV Surveillance in Feral Animals Across Northern Australia (2021-2023)</i> Guy Weerasinghe
3:30	High-Flow Nasal Oxygen Therapy in the ICU Cameron Morris		3:20 <i>Farm Location Image Processing: Using Deep Learning to Differentiate Livestock Farms From Aerial Imagery</i> Caitlin Pfeiffer
4:00	AFTERNOON TEA		
4:30	TBC Cameron Morris Chapter AGM	Achilles Tendinopathy Ah Young Kim SPEAKER SPONSORED BY Orthopets	4:30 <i>Investigating Leptospira in The Reproductive Tract of Mares in Northern Queensland</i> Bruce Gummow 4:50 <i>Human and Canine Leptospirosis in NSW: Geospatial Distribution and Serovars</i> Christine Griebisch 5:10 <i>Longitudinal Study of Pathogenic Leptospira at An Urban Grey-headed Flying Fox (Pteropus Poliocephalus) Colony</i> Guy Weerasinghe
5:30	END OF DAY 1 PROGRAM		
5:30 to 6:30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM THURSDAY 25 JULY 2024

	ANIMAL WELFARE (8:30am to 5:30pm)	AQUATIC ANIMAL HEALTH (9:00am to 5:30pm)	DENTISTRY (8:30am to 5:30pm)
8.00	WELCOME TO COUNTRY CEREMONY & OFFICIAL COLLEGE WELCOME CENTRAL ROOM A		
8.30	A social license under threat- what part can improved racehorse welfare play Siobhan Mullan		Techniques for the repair of primary cleft palate defects techniques Kevin Ng
9.00	Stress Biomarkers in Sheep Sarah Babington	Introduction by Chapter President Keynote lecture 1 – TBA Jeff Wolf	
9.30	From paddock to policy: Exploring the influence of animal welfare science on legislation - A lamb marking perspective Scholarship: Charlotte Johnston	Keynote lecture 2 – TBA Jeff Wolf	Dental Manifestations of Systemic Diseases Marcella Cassiani Lowe
10.00	Is social media the new wet market? Scholarship: Georgia Moloney	Keynote lecture 3 – TBA Jeff Wolf	
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
11.00	Rodeo research and Advocacy Di Evans	Finfish ecotoxicology Roger Chong	Presentation Title TBA Christine Hawke
11.30	Exploring Expert Opinion on Wildlife Welfare and Conservation in the Anthropocene Tessa Derkley	The ideal day post hatching for the histological assessment of bivalve larvae and spat. Jo Bannister	
12.00	Use of the 5 Domains as an expert witness Mandi McLeod	Whitespot Virus Outbreak Man. Matthew Landos	Presentation Title TBA Suruchi Perera
12.30	Effective training of slaughter personnel to improve animal welfare Michelle Clatworthy	Crustacean ecotoxicology. Roger Chong	
1.00	LUNCH		
2.00	The Latest Legal Development Concerning Animals in Australia Deborah Cao	2:00 Aquatic Animal Health topical discussion: veterinary training for fish and shellfish diseases . Group discussion 2:30 Aquatic Animal Health topical discussion: opportunities for veterinarians in aquaculture. Group discussion	Presentation Title TBA Peter Bradbrook
	ANIMAL WELFARE and MEDICINE AND MANAGEMENT OF LABORATOR ANIMALS (MMLA)		
3.00	Fish intelligence, sentience and welfare Culum Brown	3:00 Aquatic Animal Health topical discussion: ANZCVS membership and fellowship program. Group discussion 3:30 Aquatic Animal Health topical discussion: new publications and information resources. Group discussion	Antiseptic stewardship guidelines Megan Jeffers
4.00	AFTERNOON TEA		
	ANIMAL WELFARE		
4.30	Using AI for early detection of animal disease Steven Impey	4.30-5.00 Presentation (30 mins). Speaker TBA 5.00-5.30 Presentation (30 mins). Speaker TBA	Presentation Title TBA Lana Robertson
5.30	A model of self-directed learning in animal welfare science for final year veterinary students Rosemary Elliott		
5.30	END OF DAY 1 PROGRAM		
5.30 to 6.30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM THURSDAY 25 JULY 2024

	FELINE (8:30am to 5:30pm)	MEDICINE AND MANAGEMENT OF LABORATORY ANIMALS (8:30am to 5:30pm)	PATHOBIOLOGY and OPHTHALMOLOGY (8:30am to 5:30pm)
8.00	WELCOME TO COUNTRY CEREMONY & OFFICIAL COLLEGE WELCOME CENTRAL ROOM A		
	FELINE CHAPTER SPONSORED BY Boehringer Ingelheim & Royal Canin		
8.30	Laboratory testing for endocrinopathies - biological variability, accuracy of testing / comparison of in house testing / external laboratories / harmonisation Randolph Baral	The banning of the forced swim test and smoke exposure procedures. Dr Malcom France Drugs, doses, routes and validity in rodent models: what does the data show? Dr Rebecca Wilcox SPONSORED BY Tecniplast Australia	Infectious Disease and The Eye Christina McCowan (Keynote)
9.30	Obesity as an endocrinopathy Nick Cave	A fine hat collection: Regulator expectations of role delineation Toni Dalziel	Infectious diseases in Companion Animal Eyes Christina McCowan (Keynote)
10.00		Improving statewide consistency of AEC services and other benefits of regular contact between the Queensland AECs. Dr Lex Turner	
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
11.00	A nutritional approach to a variety of endocrinopathies. Nick Cave	The fine line between a Staph aureus positive and Staph aureus negative SPF mouse colony Dr Jenny Kingham SPONSORED BY Jetpets	Case reports from UK: Feline Ocular mycobacteriosis and Canine Ocular Leishmaniasis John Mackie
11.30		Skin; pathology outside and in Dr Chalette Brown	Canine lacrimal gland tumours - case report and lit review Kate Hindley
12.00	SPONSOR TALK SGLTis Philip McDonagh – Boehringer Ingelheim 12:15 DKA - panel discussion Specifics of protocols and supportive literature Chair: Terry King Panelists: Catharine Scott Moncrieff, Nick Cave and Linda Fleeman	Demystifying oncogenes in animal research. Dr Chris Brown Guiding the Next Generation: Mentorship and Training in Animal Research for ECRs Dr Alexandra Whittaker SPONSORED BY Tecniplast Australia	Ocular melanosis Jonathan Wood
1.00	LUNCH		
2.00	SGLTi- Human Approach and what else these drugs can do Human perspective Dr Gaurav Puri	'No Pain – ALL Gain! Advances in Analgesic Techniques for Laboratory Animals' Dr. Rebecca Johnson (Keynote)	Case Study Report Jonathan Chin
2.30			Is greyhound pannus increasing? A review of the condition and impact on greyhound adoption" Rachel Alvena
3.00	Uncommon and underdiagnosed feline endocrine disorders: Cushing's disease, acromegaly and more! Catharine Scott Moncrieff (Keynote)	Combined session with Animal Welfare Chapter	Case report retrobulbar disease and lit review Ben Huang
3.30			Fungal keratitis case report and lit review Viviana Gonzalez
4.00	AFTERNOON TEA		

4.30	Update in the veterinary literature Susan Jih and Remon Wilson	Antimicrobial stewardship in lab animal facilities Rebecca Wilcox	Medial eyelid tumour removal Simon Hurn
5.00		Mental Health and Wellbeing Jodi Salinsky	How to get a paper published Allyson Groth
5.30	END OF DAY 1 PROGRAM		
5.30 to 6.30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM THURSDAY 25 JULY 2024

	ZOO AND WILDLIFE (8:30am to 5:30pm)	SMALL ANIMAL MEDICINE and RADIOLOGY (8:30am to 10:30am)	RADIOLOGY (11:00am to 12:00pm) (4:30pm to 5:30pm)
8.00	WELCOME TO COUNTRY CEREMONY & OFFICIAL COLLEGE WELCOME CENTRAL ROOM A		
		SMALL ANIMAL MEDICINE and RADIOLOGY	
8.30 - 10.00	<p>8:30 Opening</p> <p>Case Reports CHAIR-Stephanie Shaw</p> <p>8:35 Acupuncture Therapy in wildlife rehab cases Karina Argandona</p> <p>9:00 Investigating the role of koala retrovirus in primary skeletal neoplasia in koalas Viviana Gonzalez- Astudillo</p> <p>9:25 Outcomes of non-fatal traumatic brain injuries in birds: a systematic review Michelle Campbell-Ward and Annabelle Olsson</p> <p>9:50 Chronic renal failure in Asiatic black bears Emily Drayton</p> <p>Wildlife Mortality Events CHAIR KARINA ARGANDONA</p> <p>10:10 Update on flying fox paralysis syndrome Ludo Valenza and Allison Peel TBC</p>	<p>Aerodigestive disorders Megan Grobman</p>	
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
		SMALL ANIMAL MEDICINE	RADIOLOGY ABSTRACT SESSION
11.00	<p>Wildlife Mortality Events (con) CHAIR – Karina Argandona</p> <p>11:00 Hoiho hatchlings respiratory disease Lisa Argilla – Via Zoom</p> <p>11:30 Lorikeet paralysis update- QLD and NSW David Phalen and Claude Lacasse - via ZOOM</p> <p>12:05 TBC Karrie Rose – via Zoom</p> <p>12:40 Marine Turtle Soft Shell Syndrome: investigation update and rehabilitation outcomes Claire Madden</p>	<p>Case studies in canine nasal disease Lynelle Johnson</p>	<p>11:00 CT Findings of <i>Linguatula Serrata</i> in Wild Canids and Vulpids Alice Birkhead</p> <p>11:15 Case Series on Splenic Vein Access for Treatment of Intrahepatic Vascular Anomalies Jun-Yan Sek</p> <p>11:30 Computed Tomography of Vertebral Column Malformations in South Australian Koalas. Stuart Eddy</p> <p>11:45 Computed Tomography Findings and Outcomes in Dogs With Acute Oropharyngeal Stick Injuries: 31 Cases (2010-2020) Wing Yan April Cheung</p>
12.00			<p>Errors and Cognitive Bias Cathy Beck</p>

12.30		Clinical utility of bronchoscopy and BAL Lynelle Johnson	Eye health for Radiologists Susannah Lillis
1.00	LUNCH		
		SMALL ANIMAL MEDICINE and RADIOLOGY	
2.00	Free ranging wildlife CHAIR – Emily Drayton	Aspiration pneumonia/pneumonitis Megan Grobman	
	2:00 The NSW koala sentinel population monitoring program Larry Vogelnest		
	2:20 Reducing threats to marine fauna in NSW Duane Marche		
3.00	2:40 Translocation considerations in critically endangered populations in QLD Stephanie Shaw	A Review of Imaging for Inflammatory Lung Disease. Dogs/Cats vs Humans in the post-COVID world Zoe Lenard	
	3:00 Koala morbidity and mortality investigations using drones Romane Cristescu		
	3:30 Avian influenza in Australian wild birds: update, activities, and resources Paul Eden		
4.00	AFTERNOON TEA		
		SMALL ANIMAL MEDICINE	RADIOLOGY
4.30	Eosinophilic lung disease Lynelle Johnson	Eosinophilic lung disease Lynelle Johnson	Presentation TBA Belinda Hopper
5.30	Zoo and Wildlife AGM	END OF DAY 1 PROGRAM	
5.30 - 6.30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **THURSDAY 25 JULY 2024**

	CATTLE (2:00pm to 5:30pm)		
8.30			
9.00			
9.30			
10.30	MORNING TEA EXHIBITION HALL OFFICIAL OPENING OF TRADE EXHIBITION		
11.00			
12.00			
1.00	LUNCH		
2.00	Latest research on Live Export Amy Tait		
3.00	Antimicrobial Stewardships Strategy AMR John Phelps		
3.30	Update on mastitis treatment model John House		
4.00	AFTERNOON TEA		
4.30	Chapter AGM		
5.30	END OF DAY 1 PROGRAM		
5.30 - 6.30	WELCOME RECEPTION & POSTER PRESENTATION GOLD COAST CONVENTION AND EXHIBITION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	VETERINARY BEHAVIOUR AND ANIMAL WELFARE (8:30am to 10:30am)	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH (8:30am to 10:30am)
	VETERINARY BEHAVIOUR (2:00pm to 5:30pm)	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND PATHOBIOLOGY (2:00pm to 5:30pm)
	VETERINARY BEHAVIOUR AND ANIMAL WELFARE	VETERINARY EPI AND VPH ABSTRACT SESSIONS
8.30	The Feline Grimace Scale Shari Cohen	8:30 <i>Predators and Prey: Does Avian Influenza Virus Show Species-specific Seasonality?</i> Gemma Hancock
9.00	Cat flu in the animal shelter: two perspectives Uttara Kennedy and Bronwyn Sharman	8:50 <i>Comparison Of RNA-reserving Media and Virus Transport Media for Avian Influenza Surveillance</i> Guy Weerasinghe 9:10 <i>Fighting Cock Management and Antibiotic Use – Survey in Timor-Leste</i> Jenny-Ann Toribio
9.30	Using the contextual-emotional-motivational approach to assessing and managing cases: how does this work in practice? Helen Zulch (Keynote)	9:30 <i>Environmental AMR: Setting Surveillance Priorities Using a Risk Screening Tool</i> Skye Badger 9:50 <i>A case-control study of pregnancy loss in Thoroughbreds in Australia</i> Victoria Brookes 10:10 <i>Preparing the Thoroughbred Breeding Industry for A Foot and Mouth Disease Outbreak</i> Isabel MacPhillamy
10.30	MORNING TEA EXHIBITION HALL	
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen ‘First, do no harm. Ethical and legal issues of artificial intelligence and machine learning’	
12.00	ANZCVS AGM CENTRAL ROOM A	
1.00	LUNCH	
	VETERINARY BEHAVIOUR	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH AND PATHOBIOLOGY
2.00	Behaviour modification: Optimising outcomes Rich Seymour	“Novel technologies to better the understanding of disease and zoonoses” 2:00 Integrating Genomics and Molecular Epidemiology in a Diagnostic Workflow JS Eden SPEAKER SPONSORED BY QIAGEN
	VETERINARY BEHAVIOUR & VETERINARY PRACTICE SMALL ANIMAL	
3.00	“...Or is it just behavioural?” The importance of cross-specialty knowledge of behavioural medicine Sally Nixon	3:00 Application of molecular epi for viruses Barbara Brito Rodriguez SPEAKER SPONSORED BY QIAGEN
3.30	Identifying red flags in puppy behaviour: where to from there? Ashleigh Hargraeves Cooperative care methods with horses- what do we know? Melanie Rockman	3:30 Molecular epi at the human-animal interface Jackie Benschop SPEAKER SPONSORED BY QIAGEN
4.00	AFTERNOON TEA	

		VETERINARY BEHAVIOUR	
4.30	Radiology in Paediatric Animals Susie Lillis	Barking dog complaints: working with patient perspectives and common misconceptions Jacqui Ley SPEAKER SPONSORED BY Bova	4:30 The evolution of food safety systems Stephen Yearwood
5.00	Speaker TBA	Diagnostic bias: it affects vets too Kersti Seksel SPEAKER SPONSORED BY Bova	5:00 <i>Food safety risks-management for sea cucumber products</i> Roger Chong
5.30	END OF DAY 2 PROGRAM		
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	EMERGENCY AND CRITICAL CARE (8:30am to 5:30pm)	VETERINARY SPORTS MEDICINE REHABILITATION AND VETERINARY ANAESTHESIA AND ANALGESIA (8:30am to 10:30am)	VETERINARY ANAESTHESIA AND ANALGESIA (2:00pm to 4:00pm)
	EMERGENCY AND CRITICAL CARE ABSTRACT SESSION	VETERINARY SPORTS MEDICINE REHABILITATION AND VETERINARY PRACTICE SMALL ANIMAL (2:00pm to 4:00pm)	
8.30	Abstract sessions	Lessons I learned from physios: Canine spinal discomfort. Is your differential list too short? Patsy Mich SPEAKER SPONSORED BY Zoetis	
9.30	Abstract sessions	The Impact of Physical Therapy Modalities on the Pain Pathway: Current Understanding and Future Prospects Benedetta Benz	
10.30	MORNING TEA		
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen 'First, do no harm. Ethical and legal issues of artificial intelligence and machine learning'		
12.00	ANZCVS AGM CENTRAL ROOM A		
1.00	LUNCH		
1.00 to 2.00		VSMR Annual General Meeting	
		VETERINARY SPORTS MEDICINE REHABILITATION AND VETERINARY PRACTICE SMALL ANIMAL	VETERINARY ANAESTHESIA AND ANALGESIA
2.00	ER controversies: C-Reactive Protein in the Emergency Room Katie Nash, Sarah Purcell	Canine Hip dysplasia – latest in surgical / rehabilitation management Wendy Baltzer	Carbon cost of Vet Anaesthesia Donna White
3.00	Novel therapies in severe pneumonia: steroids and 'lasers' Lisa Smart	Canine Elbow Dysplasia – latest in surgical / rehabilitation management Wendy Baltzer SPONSORED BY Interpath	Net Zero: A once in a generation opportunity to raise the standard of general practice anaesthesia. Vets for Climate Action Jeremy Watson
3.30	Cardiac involvement in systemic diseases Joon Seo		
4.00	AFTERNOON TEA		
		VETERINARY SPORTS MEDICINE REHABILITATION	
4.30	Tricky Cardiorespiratory cases: the criticalist and cardiologist perspective Avalene Tan, Joon Seo, Claire Sharp	College Travel Grant Recipient ACVSMR Conference summary Yoko Clinch SPONSORED BY Interpath	
5.30	END OF DAY 2 PROGRAM		
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	ANIMAL WELFARE (4:30pm to 5:30pm)	AQUATIC ANIMAL HEALTH (9:00am to 5:30pm)	DENTISTRY (8:30am to 5:30pm)
8.30			
9.00		Keynote lecture 4 – TBA. Jeff Wolf	Presentation Title TBA Rebecca Tucker
9.30		Keynote lecture 5 – TBA. Jeff Wolf	Latrogenic sialoceles post dental extraction in 4 dogs Kevin Ng
10.00		Molluscan ecotoxicology. Roger Chong	Treatment of extensive maxillary odontogenic cysts in 3 dogs Kevin Ng
10.30	MORNING TEA		
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen ‘First, do no harm. Ethical and legal issues of artificial intelligence and machine learning’		
12.00	ANZCVS AGM CENTRAL ROOM A		
1.00	LUNCH		
2.00	Ethics Rounds Facilitator Workshop Anne Quain	2:00 Sea cucumber ecotoxicology Roger Chong	Presentation Title TBA Aaron Forsayeth
3.00		2:30 A Tale Of Fish And Humans Matt Landos	Presentation Title TBA Michael Lawley
4.00	AFTERNOON TEA		
4.30	Getting a bang for our buck: Developing an outcomes-based framework for the Irish Government's animal welfare charity grants Siobhan Mullan	4:30 Presentation TBA Speaker TBA 5:00 Presentation TBA Speaker TBA	Presentation Title TBA Liz Thomson
5.30	Training as Enrichment Eduardo Fernandez		
5.30	END OF DAY 2 PROGRAM		
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	FELINE (8:30am to 10:30am)	MEDICINE AND MANAGEMENT OF LABORATORY ANIMALS (8:30am to 11:00am) MEDICINE AND MANAGEMENT OF LABORATORY ANIMALS (4:30pm – 5:30pm)	PATHOBIOLOGY and OPHTHALMOLOGY (8:30am to 10:30am) OPHTHALMOLOGY (2:00pm to 5:30pm)
	FELINE CHAPTER SPONSORED BY Boehringer Ingelheim & Royal Canin		
8.30	Management of concurrent thyroid and Kidney disease in cats Jo White	Keynote Session - Virtual Microbiome Samira Lawton Genetic Monitoring Nate Nowak SPONSORED BY Australian BioResources Pty Ltd	Infectious diseases in Production Animal Eyes Christina McCowan (Keynote)
9.30	Cardiology – hypertension, CV/Kidney/Heart axis of evil Chris Lam	Keynote Practical Anesthetic Monitors for Laboratory Animals – How to Get the Most Bang for Your Buck! Dr Rebecca Johnson SPONSORED BY Australian BioResources Pty Ltd	Management of third eyelid gland cysts after NM gland replacement (cherry eye surgery) Robin Stanley
10.30	MORNING TEA		
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen ‘First, do no harm. Ethical and legal issues of artificial intelligence and machine learning’		
12.00	ANZCVS AGM CENTRAL ROOM A		
1.00	LUNCH		
	FELINE ABSTRACT SESSION FELINE CHAPTER SPONSORED BY Boehringer Ingelheim & Royal Canin	Combined session with Animal Welfare Chapter	OPHTHALMOLOGY
2.00	2:00 <i>Salmonella Enterica Subspecies Enterica Serotype Typhimurium Induced Pyelonephritis and Suspected Multifocal Myositis in A Cat</i> Remon Wilson 2:20 <i>Treatment of Feline Infectious Peritonitis with Molnupiravir: 53 Cases</i> Tessa Clark 2:40 <i>Feline Primary Immune Thrombocytopenia: Treatment Outcomes and Prognostic Indicators</i> Mulan Zhong		Review of entropion surgery Kellam Bailey Visual outcome following phacoemulsification in Labrador Retrievers with suspected progressive retinal atrophy Mayara Galetti
3.00	3:00 <i>Clinical Outcomes Following Cerebrospinal Fluid Collection in Cats</i> Gemma Spinoglio 3:20 <i>scintigraphy-derived Radioactive Iodine-131 Dose for Individualised Feline Hyperthyroidism Treatment.</i> Niquet Reid		Ethics in Veterinary Ophthalmology: recent advances and why we should care Sarah Coall Post-cataract surgery glaucoma Helen Mather
4.00	AFTERNOON TEA		
4.30	FELINE CHAPTER AGM	OECD updates and strategies to leverage risk mitigation, legislation, and the “Pub test” for better animal welfare/veterinary resourcing and management? Shari Cohen SPONSORED BY Cerberus	Ophthalmology Specialists only MCQ session

	Q&A Rebecca Johnson	
5.30	END OF DAY 2 PROGRAM	
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL	

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	CATTLE (8:30am to 5:30pm)	RADIOLOGY (2:00pm – 4:00pm)	SMALL ANIMAL MEDICINE and RADIOLOGY (8:30am to 10:30am) SMALL ANIMAL MEDICINE (2:00pm to 5:30pm)
			SMALL ANIMAL MEDICINE and RADIOLOGY
8.30	Learning to see around you: a veterinary perspective of Lean Six-Sigma – its philosophy and utility. Mark Burgemeister		Gastroesophageal reflux Megan Grobman
9.30			Oesophageal Fluoroscopy Mistakes I've Made! A discussion about the challenges of imaging Zoe Lenard
10.30	MORNING TEA		
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen 'First, do no harm. Ethical and legal issues of artificial intelligence and machine learning'		
12.00	ANZCVS AGM CENTRAL ROOM A		
1.00	LUNCH		
			SMALL ANIMAL MEDICINE ABSTRACT SESSION
2.00	Colostrum Review – Dini Hapukotuwa Assessment and management of dairy compost bedded pack barns Andrew Lean	Transcatheter Edge to Edge Repair (TEER) with VCA: A paradigm shift in treatment for patients with myxomatous mitral valve disease Fiona Meyers & Brad Gavaghan	2:00 Serum C-reactive protein concentrations in canine hypoadrenocorticism Miranda Tong 2:20 Longitudinal bacterial contamination of a newly opened veterinary hospital Sarah Nicholls 2:40 The efficacy of daily moisturisation in canine atopic dermatitis management Rachael Johnstone
3.00	Aetiology of heifer mastitis at teatsealing Karly DeFrees and Emma Cairney	Transoesophageal Echocardiography in Dogs Fiona Meyers	3:00 Identifying serum proteomic biomarkers in chronic enteropathy in dogs Jane Yu 3:20 Serovar <i>Australis</i> causes canine leptospirosis in New South Wales Christine Griebsch 3:40 Decreasing exposure of vets and their staff to euthanising healthy cats and kittens. What works? Jacquie Rand
4.00	AFTERNOON TEA		
4.30	Metabolic Case Study Luke Ingenhoff	Zebra Hoofbeats: How Would A.I. Do? Eli Cohen	Bacteriophage therapy in veterinary Medicine Mary Thompson
5.00	Fellow Case Study Matt Izzo		SMALL ANIMAL MEDICINE (SAM) AGM
5.30	END OF DAY 2 PROGRAM		
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM **FRIDAY 26 JULY 2024**

	SMALL ANIMAL SURGERY (8:30am to 5:30pm)		
	SPONSORED BY Knight Benedict		
8.30	The Latest & Greatest in Wound Care. Leeches, anyone? Dr Nicole Buote		
9.30	What's new in PU's? Clinical decision-making for urinary salvage procedures Dr Nicole Buote		
10.30	MORNING TEA EXHIBITION HALL		
11.00	PLENARY CENTRAL ROOM A Keynote Speaker: Dr Eli Cohen 'First, do no harm. Ethical and legal issues of artificial intelligence and machine learning'		
12.00	ANZCVS AGM CENTRAL ROOM A		
1.00	LUNCH		
2.00	GDV- In-depth discussion on pathophysiology and new surgical assessment techniques Dr Nicole Buote		
3.00	So many different ways to SUB a cat Dr Nicole Buote		
4.00	AFTERNOON TEA		
4.30	"Got Calcium?: Parathyroid diseases in dogs Dr Julia Sumner		
5.30	END OF DAY 2 PROGRAM		
5.30 to 6.30	HAPPY HOUR GOLD COAST CONVENTION CENTRE – EXHIBITION HALL		

VET SCIENCE WEEK 2024 PROGRAM SATURDAY 27 JULY 2024

	VETERINARY PRACTICE SMALL ANIMAL (8:30am to 5:30pm)	VETERINARY BEHAVIOUR AND ANIMAL WELFARE (8:30am to 10:30am) VETERINARY BEHAVIOUR (11:00am to 5:30pm)	VETERINARY ANAESTHESIA AND ANALGESIA (8:30am to 3:00pm)
		VETERINARY BEHAVIOUR AND ANIMAL WELFARE	
8.30	Ophthalmology in paediatric patients Jonathon Wood	Advocating for the "dangerous" dog Karen Kam Case presentation: Compulsive behaviour in a shelter patient Caroline Thursfield	Human Factors and High-Performing Teams: Animalius' goal to Transform our Industry. Zoe Lenard, Animalius
9.30	Paediatric medicine Luke Johnston	LIFE - A Modern Approach to Ethical Animal Training Methods Eduardo Fernandez	Checklist Effect screening & discussion panel Luiz Santos led Q & A SPEAKER SPONSORED BY Boehringer Ingelheim
10.30	MORNING TEA		
		VETERINARY BEHAVIOUR	
11.00	Conversations around when to Desex Abbie Tipler	Words: how we use them affects treatment and outcomes Kersti Seksel SPEAKER SPONSORED BY Bova	Human Factors in Veterinary Hospital Luiz Santos SPEAKER SPONSORED BY Boehringer Ingelheim
11.30		Understanding and addressing the knowledge gap between primary care clinicians and veterinary behaviourists Isabelle Resch	
12.00	How to avoid desexing complications Abbie Tipler	The individualisation of treatment Helen Zulch (Keynote)	Human Factors in Veterinary Hospital Luiz Santos SPEAKER SPONSORED BY Boehringer Ingelheim
1.00	LUNCH		
			SPONSORED BY Boehringer Ingelheim
2.00	Neonates – from birth to 4 weeks Xavier Schneider	Complex case management Helen Zulch (Keynote)	Topic TBC Luiz Santos and Michelle McArthur
3.00	Unraveling Early Cancer Detection and Management of Common Cancers in Young Dogs and Cats: Does Neutering Help? A Practical Guide for Vets Catherine Chan	Trauma-informed care approaches to client communication in the context of veterinary behavior Vanessa Rolf (Special invited speaker)	VAA Chapter Catch-up & Chat Directions, workshop & topic preferences, Science Week & examination timetable
4.00	AFTERNOON TEA		
4.30	Anaesthesia in paediatric patients Maja Drozdzyńska	Psychopathology: When does behaviour become an issue? Jacqui Ley SPEAKER SPONSORED BY Bova	
5.30	END OF DAY 3 PROGRAM		
7.00 to 10.00	COLLEGE AWARDS DINNER The Island Gold Coast		

VET SCIENCE WEEK 2024 PROGRAM SATURDAY 27 JULY 2024

	EMERGENCY AND CRITICAL CARE (8:30am to 5:30pm)	ONCOLOGY (8:30am to 5:30pm)	VETERINARY EPIDEMIOLOGY AND VETERINARY PUBLIC HEALTH (8:30am to 5:30pm)
8.30	<p>Managing the complicated hypertensive crisis patient Avalene Tan</p> <p>SPEAKER SPONSORED BY AREC</p>	<p>Nutrition in the oncology patient Nick Cave</p>	<p>8:30 <i>A Plague Of P-value Thresholds in Veterinary Clinical Research</i> Andrew Woodward</p> <p>8:50 <i>Bayesian Latent Class Modelling Formulations for Three Or More Dependant Tests</i> Simon Firestone</p> <p>9:10 <i>Machine Learning: A Recent Frontier for Veterinary Epidemiologists and Animal Health</i> Brendan Cowled</p>
9.30	<p>Common cardiac arrhythmias in emergency and intensive care units Joon Seo</p> <p>SPEAKER SPONSORED BY AREC</p>	<p>Carbs, ketones and cancer Nick Cave</p>	<p>9:30 <i>Unlocking the Value of Clinicians Observations Using LLMS</i> Tom Brownlie</p> <p>9:50 <i>The Development of a Dynamic Simulation Model for Decision-support In Animal Disease Outbreaks</i> Simin Lee</p> <p>10:10 <i>Modelling Workflows for Rapid Outbreak Appraisal, Decision- And Policy-support</i> Simon Firestone</p>
10.30	MORNING TEA		
		SPONSORED BY Hill's Pet Nutrition / Chemfort	
11.00	<p>Year in Review: Cardiothoracic ECC relevant literature Claire Sharp, Rebekah Donaldson</p> <p>SPEAKER SPONSORED BY AREC</p>	<p>Interventional oncology Julia Sumner</p> <p>SPEAKER SPONSORED BY Hill's Pet Nutrition/Chemfort</p> <p>Karina Graham – TBC Kenneth Carroll - TBC</p>	<p>11:00 <i>The Human Animal Bond: A Public Health Consideration</i> Alicia Kennedy</p> <p>11:30 <i>Rabies Spread in Eastern Indonesia: Response to A New Incursion</i> Nick Harris</p>
12.00	<p>Adventures in mechanical ventilation; learning from the past to improve the future. Iain Keir</p> <p>SPEAKER SPONSORED BY AREC</p>	<p>Interventional panel Dr Kenneth Carroll and Dr David Benz</p> <p>SPEAKER SPONSORED BY Hill's Pet Nutrition/Chemfort</p>	<p>12:00 <i>Insights Into Canine Rabies Vaccination Disparities in Sierra Leone: A Cross-sectional Household Study</i> Philip Mshelbwala</p> <p>12:20 <i>Canid Alphaherpesvirus-1 Seroprevalence in Domestic Dogs in Northern Queensland, Australia</i> Bruce Gummow</p> <p>12:40 <i>Staphylococcus Pseudintermedius Resistance Profiles from Two Different Australian Canine Populations</i> Anna Sri</p>
1.00	LUNCH		
		ONCOLOGY ABSTRACT SESSION SPONSORED BY Hill's Pet Nutrition/Chemfort	
2.00	<p>Circulatory Shock: Diagnosis and Management Melissa Claus</p>	<p>2:00 Hormonal implant in dogs with mammary tumours Anne Peaston</p> <p>2:20 CMOP in cats with lymphoma Nicholas Lai</p> <p>2:40 SBRT for prostate carcinoma in dogs Natalie Adby</p>	

3.00	Critical thinking in critical care Katie Nash, Iain Keir, Rebekah Donaldson	3:00 Splenic stromal sarcoma Jessica Morey 3:20 Nutrition in the cancer patient Felicity McGovern 3:40 Vincristine induced adverse effects in the treatment neutropenic dogs with lymphoma Albert Thomas	
4.00	AFTERNOON TEA		
4.30	A criticalists perspective on the use of amiodarone and sotalol Claire Sharp	Chapter Meeting	
5.30	END OF DAY 3 PROGRAM		
7.00 to 10.00	COLLEGE AWARDS DINNER The Island Gold Coast		

VET SCIENCE WEEK 2024 PROGRAM SATURDAY 27 JULY 2024

	ANIMAL WELFARE (11:00am to 1:00pm)	DENTISTRY (8:30am to 5:30pm)	
8.30			
9.30		History of dens invaginatus in dogs and the use of advanced imaging and histological techniques for the diagnosis of dental abnormalities Kevin Ng	
10.30	MORNING TEA		
11.00	Towards a good life for animals- how can we speed up? Siobhan Mullan	Endodontist TBA	
11.30	'Don't touch my tail' – effective handling techniques to prevent tail injuries in dairy cattle Mandi McLeod		
12.00	What can the Koala gut microbiome tell us about his health Celine Frere	Endodontist TBA	
12.30	Whale euthanasia Duane March		
1.00	LUNCH		
2.00		Workshop Session	
3.00			
4.00	AFTERNOON TEA		
4.30		Workshop Session	
5.30	END OF DAY 3 PROGRAM		
7.00 to 10.00	COLLEGE AWARDS DINNER The Island Gold Coast		

VET SCIENCE WEEK 2024 PROGRAM **SATURDAY 27 JULY 2024**

	RADIOLOGY (8:30am to 5:30pm)	SMALL ANIMAL MEDICINE (8:30am to 5:30pm)	SMALL ANIMAL SURGERY SOFT TISSUE SESSIONS (8:30am to 5:30pm)
8.30	4D lung Imaging - Progression of the human lung imaging project through development and refinement of advanced imaging technologies on the Australian Synchrotron Mitzi Klein	Diagnosis and Management of Pulmonary Hypertension Lynelle Johnson SPEAKER SPONSORED BY AREC	Intestinal Surgery Do's and Don'ts Dr Andrew Worth
9.30	Presentation TBA Catherine Jones	Atypical hypoadrenocorticism: diagnosis and management Robert Shiel SPEAKER SPONSORED BY AREC	Hepatic tumours - surgery, then what else? Dr Marvin Kung
10.30	MORNING TEA		
11.00	Lit review of current Veterinary Radiology AI Steve Joslyn	Polyuria and polydipsia: investigating the difficult case Robert Shiel SPEAKER SPONSORED BY AREC	Anaesthetic considerations for the patient with liver or cholestatic disease Dr Kieren Maddern
12.00	The truth about AI algorithms in Thoracic Veterinary Radiology Steve Joslyn	Calculi 101: solutions for determining stone type, choosing a removal method, and navigating prevention Matthew Munro SPEAKER SPONSORED BY AREC	Suspected gall bladder disease - decision making Dr Andrew Worth
1.00	LUNCH		
2.00	Thoracic radiography vs CT Belinda Hopper	Primary hyperaldosteronism in cats Rob Shiel	Stemming the flow: management of canine incontinence Dr Julia Sumner
3.00	2:30 Panel Discussion: <i>"Is there still a place for thoracic radiography in modern veterinary practice?"</i> Panelists: Eli Cohen	New tricks for an old problem: updated approaches to urinary incontinence Matthew Munro	A pain in the butt; perianal and anal tumours Dr Kat Steele
4.00	AFTERNOON TEA		
	RADIOLOGY ABSTRACT SESSION		
4.30	16:30 An Ultrasonographic Study of The Oesophagus, Duodenum And Ventral Neck Musculature Of The Crib-biting Horse Anne-Marie Hüster 16:45 Computed Tomographic Features of Canine Prostatic Carcinoma Pascal Urlings 17:00 Multimodality Findings in An Adult Dog With Femoral Peripheral Nerve Sheath Tumor Calvin Lee 17:15 Imaging of Equine Joint Cartilage: An Update Ann Carstens	Brachycephalic Obstructive Airway Syndrome Megan Grobman	What a mouthful; oral tumours and maxillectomy/mandibulectomy Dr Kat Steele
5.30	END OF DAY 3 PROGRAM		
7.00 to 10.00	COLLEGE AWARDS DINNER The Island Gold Coast		

VET SCIENCE WEEK 2024 PROGRAM **SATURDAY 27 JULY 2024**

	SMALL ANIMAL SURGERY RESIDENTS ABSTRACT SESSION (8:30am to 5:30pm)	CATTLE (8:30am to 5:30pm)	
8.30	<p><i>The lateral collateral ligament contribution to Intra-articular elbow forces</i> Sorcha Costello</p> <p><i>Management strategies and outcomes following major failure of tibial plateau leveling osteotomies</i> Jun-Yan Sek</p> <p><i>Incomplete Tibial Tuberosity transposition for surgical management of MPL</i> Hadisa Goodman</p>	Repro in Beef Research Ben Wood	
9.00	<p><i>Effect of proximity of BODPUO and displacement of the proximal ulna segment</i> Jessica Farrugia</p>	Beef Repro Coxiella Research Sam Rowe	
9.30	<p><i>Temporary Transarticular Stifle External Skeletal Fixation in dogs and cats: 35 cases</i> Jana Kolichis</p> <p><i>Evaluation of a modified tibial plateau leveling and medialisation osteotomy procedure utilising implant spaces in the management of concomitant cranial cruciate ligament rupture and medial patella luxation in 16 dogs</i> James Iversen</p>	Repro Analysis – US Style Christian Steenholdt	
10.30	MORNING TEA EXHIBITION HALL		
10.30	<p><i>Distraction-stabilisation in 43 dogs with cervical spondylomyelopathy</i> Elizabeth Hoffman</p> <p><i>Encephaloscope-assisted corpus callosotomy for palliation of idiopathic epilepsy in dogs</i> Sarah Austin</p>	Age at first calving in dairy heifers where are we at and what is changing Andrew Lean	
11.00	<p><i>Prevalence and classification of congenital thoracic vertebral body abnormalities in neurologically normal brachycephalic "screw-tail" dog breeds in referral practice in Australia</i> William Moses</p>	TBC	
12.00	<p><i>Canine portal vein pressure pre-and post-hepatectomy or splenectomy</i> Sean Wood</p> <p><i>Case series on splenic vein access for treatment of intrahepatic vascular anomalies</i> Jun-Yan Sek</p> <p><i>Caudal medial sternotomy and diaphragotomy for liver lobectomy: 22 dogs</i> Sarah Leber</p>	<p>Utilising wearable data Matt Buckley</p> <p>Remote monitoring Ben Wood</p> <p>Using biomarkers in early lactation to predict reproductive performance Tim Luke</p>	
1.00	LUNCH		

2.00	<p><i>Evaluation of measurements for tracheal hypoplasia in French Bulldogs</i> Marina du Preez</p> <p><i>Fluroscopic guidance for bulla identification in ventral bulla osteotomy in eight French Bulldogs</i> Hui Yu Lu</p> <p><i>Management strategies, complication rate, and outcome following treatment of para-aural abscessation as a complication of TECA-LBO surgery</i> Yan Shong Toh</p>	<p>Panel Session <i>Vets as Farmers - how might you have consulted differently knowing what you now know</i></p> <p>Christian Steenholdt, Andrew Smith, Andrew Perry</p>	
3.00	<p><i>Autologous, free omentum grafts for large, open, distal limb wounds in dogs</i> Jason Makar</p> <p><i>Evaluation of risk factors, post-operative complications, and long term outcomes in dogs with urethral prolapse treated with urethropexy or resection and anastomosis, or both</i> Hui Yu Lu</p> <p><i>Suturing quality of Flexdex with two-dimensional and three-dimensional viewing</i> Sonia Noronha</p>	<p>How can self-determination theory help our thinking with implementing change Mark Humphris</p>	
4.00	AFTERNOON TEA		
4.30	<p style="text-align: center;">Short Podium presentations (case reports): x 4</p> <p>4:30 <i>Nerve root compression requiring surgical treatment following prophylactic disc fenestration</i> Farrah Harris</p> <p>4:45 <i>Osseointegrated transcutaneous amputation prosthesis (otap) in a patient with angular limb deformity</i> Melissa Goh</p>	<p>Thirty years of change implementation in the South Island of NZ Sid Taylor</p>	
5.00	<p>5:00 <i>Malignant transformation of canine gastric hyperplastic polyp to mucosal sarcoma</i> Stephanie Lane</p> <p>5:15 <i>Progressive hepatopathy after central division hepatectomy in a dog</i> Sean Wood</p>	<p>Reflections & future strategies: mentoring young veterinarians Bill Tranter</p>	
5.30	END OF DAY 3 PROGRAM		
7.00 to 10.00	COLLEGE AWARDS DINNER The Island Gold Coast
