# WELCOME

## Stephen Alderman

Chief Executive Officer  
Australian and New Zealand  
College of Veterinary Scientists

**We acknowledge the Yugambeh people and their connection to the land, waters, and resources, as well as the broader Kombumerri / Bunjalung Nation and pay our respects to Elders past, present, and emerging.**

On behalf of the Australian and New Zealand College of Veterinary Scientists (ANZCVS) Council and Vet Science Week Organising Committee, we invite you to join us for the 28th annual Vet Science Week Conference at the Gold Coast Convention and Exhibition Centre from 24-26 July 2026.

Vet Science Week brings together global experts from a range of veterinary fields to present, discuss and explore scientific research, practical applications and innovations to progress the future of the veterinary sector.

The comprehensive scientific program is complemented by an industry leading trade exhibition, offering unparalleled opportunities for sponsors and exhibitors to connect with veterinary experts, decision-makers and practitioners, and unlock new opportunities for growth.

Secure your spot as a sponsor or exhibitor of Vet Science Week 2026 to join an active and engaged community that is shaping the future of veterinary medicine.

VET SCIENCE  
WEEK 2026

## About ANZCVS

The Australian and New Zealand College of Veterinary Scientists (ANZCVS, College) was established in 1971 and is a non-profit organisation certifying veterinarians who demonstrate a high level of interest and competence in a given area of veterinary science. The College seeks to serve the veterinary profession and reward excellence. Membership of the College is an official recognition of a veterinarian's knowledge and experience in a designated field of veterinary science.

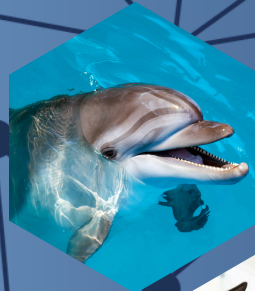

College Fellowship is associated with scholarly and technical excellence in a particular subject. Standards required for training and examination in Fellowship subjects meet or exceed the prerequisites for registration as a Veterinary Specialist in Australia and/or New Zealand.

## About Vet Science Week

Innovative, Collaborative, and Visionary. Vet Science Week, as the premier veterinary conference in Australia and New Zealand, embodies the vision of our organisation by certifying veterinary excellence and fostering vibrant, engaged, and collaborative communities of practice.

Through its cutting-edge scientific program and commitment to advancing professional qualifications and education, Science Week not only shapes the future of the veterinary profession but also aligns with our values of respect, integrity, accountability, leadership, stewardship, and community.

This event serves as a platform to certify the expertise of our members, educate them in multidisciplinary fields of vet science, and share innovative research and knowledge for the benefit of society.

# WHY EXHIBIT

**Whether you're a return exhibitor or new to the event, Vet Science Week is the perfect forum to showcase your brand, products and services to 1,000 engaged decision makers and industry leaders.**

The exhibition hall is a hub of activity, hosting catering, coffee and more to encourage delegates to enter, explore and network throughout the event.

## Exhibitor Inclusions:

From the entry level pod to custom activations, all exhibitors will receive:

- Promotion as exhibitor on event website, including hyperlinked logo.
- Promotion as exhibitor in printed program and / or event app.
- Access to the event app for lead generation.
- Opportunity to purchase / upgrade to delegate registrations at Early Bird price.
- Opportunity to purchase additional exhibitor registrations or Happy Hour tickets.
- Access to the exhibition area including catering and Happy Hours (no session access).

## Exhibitor Registrations:

Exhibitors are offered a number of complimentary exhibitor registrations, to ensure your team can make the most of the trade exhibition opportunities.

Exhibitors will have full access to the exhibition hall including all catering and Happy Hours, but will not have access to the conference sessions without a full delegate registration.

Exhibitors wishing to attend conference sessions are welcome to upgrade to a full delegate registration at the Early Bird price.

# Creative Activations

ANZCVS  
VET SCIENCE  
WEEK 2026

Vet Science Week 2026 will feature increased exhibition space, offering exhibitors new opportunities to showcase your expertise and innovation. Enquire now to explore sponsored speaking opportunities, workshops, creative activations, and more.

Located in the main exhibition hall, the Demonstration Stage is your opportunity to showcase your expertise and increase brand awareness to an engaged audience of up to 1000 delegates, with the option to host a demonstration, workshop or speaking opportunity.

This is your opportunity to engage directly with delegates during high-traffic times:

- Friday & Saturday: Morning tea, lunch, and afternoon tea
- Sunday: Morning tea and lunch only

Whether you're launching a new product, hosting interactive demonstrations, or creating memorable experiences, stage demonstrations offer a prime platform to connect with the veterinary science community.

## Booth Activations - Expressions of Interest Now Open

Booth activations are strategic to engage delegates. They are all about enhancing booth appeal and creating memorable interactions through hands-on activities or food. The GCCEC exhibitor services has a comprehensive menu and Lookbook of opportunities – please contact the Arinex team to discuss some ideas.

Interested in exploring these exciting new opportunities? Register your interest here, and the Sales Team will be in touch with more information.
